

## Datasheet TN40W

Articlenumber 1002455

Tip with tungsten carbide knife-edge 0.2x3.4 mm

**Tip form, Measuring surface width x height, Material measuring contact, Connection thread, Thread length, Knife edge holder width x height, Material holder, Overall length, Specific feature, Gross weight**

Tip form	Knife shape
Measuring surface width x height	3.4 x 0.2 mm
Material measuring contact	Tungsten carbide (WC) K20
Connection thread	M2.5
Thread length	7.5 mm
Knife edge holder width x height	5 x 9 mm
Material holder	Steel burnished
Overall length	16 mm
Specific feature	Rotatable measuring tip with counter nut
Gross weight	0.025 kg
